

## The LoCTA Housing Proof of Concept

### What is the LoCTA Housing Proof of Concept (POC):

- Small number of HAs/ALMOs
- A chance to shape the product
- Free access to the system during the POC
- Free access to third party data including: Edited Voters Roll, National Telephone Directory, Deceased Database and Postcode Address File
- Competitive rates for CRA reports
- A reduced licence fee for the first year
- Possibility of LAs taking part

### LoCTA Housing what do you need to do:

- Register your interest by emailing [info@magnetsolutions.co.uk](mailto:info@magnetsolutions.co.uk)
- Check to see if you can export your client information to an excel or csv f
- Send the extracted file to us via secure file transfer
- Sign our data sharing agreement
- We will send you sign on details when the POC begins
- Supply feedback on how the system needs improving
- Supply feedback on successes
- Take part in user group meetings during the POC

**The first five Housing Associations or ALMOs to sign up will receive the first year of the full product for free.**
